FRIENDS & SOCIALISING

Fancy meeting up?

Are you free today?

Are you busy?

Fancy a drink?

Fancy a coffee?

Fancy going out?

Fancy coming along?

Shall we go?

Let's head out.

Let's grab a bite.

Let's catch up.

It's been ages.

We should do this more often.

How have you been?

i've missed you.

Great seeing you.

it was lovely catching up.

Give me a shout.

Drop me a message.

Keep me posted.

Let me know.

Count me in.

i'm in.

i'm up for it.

Sounds like a plan.

That's a brilliant idea.

Why not?

Let’s do it.

Maybe next time.

i’m afraid I can’t.

i’m tied up.

i’m snowed under.

i’ll see if I can make it.

i’ll let you know.

Sorry, I can’t make it.

Maybe another time.

Have fun!

Enjoy yourself.

Take loads of photos.

Tell me all about it.

it was great fun.

We had a laugh.

We had a great time.

Time flew by.

What a day!

That was brilliant.

Absolutely fantastic.

Couldn’t have been better.

Until next time.

See you soon.
